ROUNDELAY SHOWS WELL. But Is Beaten at the Morristown Rore

Wet grounds and intermitten- showers made no difference to the attendance at the Morristown horse show yesterday after-noon and there was so much of interest in the weather The ground was a trifle slip-pery for the horses, but there was not enough rain to interfere with the judging and the judges, Hamilton H. Tell's Berna of Cornell won the two mile race in the dual games with Pennsylvania last spring in 9 minutes 26 3-5 seconds. This was accepted as the collegiate record. It is a second better than the intercollegiate mark, set in 1899, of Percy J. Taylor, another collegiate, and wipes out Taylor's as a collegian, and wipes out Taylor's as a collegiate, standard. Lee 3 Taylor Percy J. Taylor's as a collegiate, with the Carlisle Indians last May This performance was accepted as a new collegiate record, displacing John R. Dewlit's 186 feet 5 inches. The report of rranklin B. Filits, manager of the intercollegiate meet at Philladelphia ast spring, was accepted. The profits from the games were \$2,387.29, considerably better than the 1908 statement from Philadelphia, but not near as well as the meet did in Cambridge in 10.

PIPING ROCK HORSE SHOW OLD CROW

Fifty-pine men and two women shivered in the grand stand at the Polo Grounds yesterday afternoon until Manager McGraw of the Giants announced:

"The game is off!"

This occurred at 3:25 o'clock, after the New Yorks and Brooklyns in uniform had been practising on the soggy ball field for nearly an hour. When the rain ceased to fall, shortly after 12 o'clock, Groundkeeper Murphy began to mop up the diamond and by 2 o'clock it was in such condition that McGraw decided to play. Of course the Strondlyns were anxious to go shead, for speed and better manners than ever before the shores, particularly, seemed to be right in their element.

It takes more than an easterly rainstorm to dampen the enthusiasm of the lovers of the horse who live on the north shore of Long Island, and although it was cold and wet they turned out in large numbers at the eighth annual Piping Rock Horse Show. This shew is held in the vicinity of Locust Valley and always attracts well from those who live about the Wheatly Hills, Oyster Bay, Glen Cove and other parts of the island to which it is accessible best drive of his career. He showed more summer outdoor shows. It also closes the strondly as were anxious to go shead, for It takes more than an easterly rainstorm
